

Patriotism And Dedication to The Homeland

Tchaikapharma High Quality Medicines Inc. funds and builds memorials dedicated to the Bulgarian history.

Tchaikapharma is an entirely Bulgarian company and we believe that in order for our country to move forward we need to maintain our profoundly-realized national identity and this is only achieved by knowing our own history.

Inspired by patriotic feelings for our motherland, we built and solemnly unveiled two memorials that mark important battles and memorable dates for all Bulgarians.

We are grateful to have received support from all the municipalities and the mayors of the cities, where the memorials were constructed.
